

Measurement	units	Description	Start date	End date	Contract	Data submission	Publically available? (Y?N)
CO2	mg L-1	Concentration in water, approximately weekly from headspace spot sample	2005	ongoing	carbon catchments		Yes (in process of EIDC submission)
CH4	mg L-2	Concentration in water, approximately weekly from headspace spot sample	2005	ongoing	carbon catchments		Yes (in process of EIDC submission)
N2O	mg L-3	Concentration in water, approximately weekly from headspace spot sample	2005	ongoing	carbon catchments		Yes (in process of EIDC submission)
DOC	mg L-4	Concentration in water, approximately weekly, spot sample	2005	ongoing	carbon catchments		Yes (in process of EIDC submission)
DIC	mg L-5	Concentration in water, approximately weekly, spot sample	2005	ongoing	carbon catchments		Yes (in process of EIDC submission)
POC	mg L-6	Concentration in water, approximately weekly, spot sample	2005	ongoing	carbon catchments		Yes (in process of EIDC submission)
Discharge	l s-1	Continuous depth logging with rating curve	2005	ongoing	carbon catchments		No
NO3		Concentration in water, weekly	May-06	Dec-07	carbon catchments		
NH4		Concentration in water, weekly	May-06	Dec-07	carbon catchments
